Another new concept of applying your own image onto an Easy Balloon!
Just insert the blank balloon into your inkjet printer, download the special software. Choose your pattern and occasion then print.
Great for weddings, birthdays, promotions, flower shops and theme parks.

Print with OEM inks

Remove the cardboard frame

Insert the membrane

Attach both clips

Mount the stem

Inflate the balloon

1. Insert blank balloon

2. Select photos & patterns

3. Print 2 sides

4. Add parts & blow by mouth
